

**TO THE SPANISH NATIONAL SECURITIES MARKET COMMISSION (CNMV)**  
**SIGNIFICANT EVENT**

**VIDRALA, S.A.**

**Buy-back programmes, stabilisation and treasury stock**

Pursuant to article 228 of the Spanish Stock Market Act (Ley del Mercado de Valores), article 5 of Regulation (EU) no. 596/2014 on Market Abuse, Delegated Regulation (EU) 2016/1052 supplementing Regulation on market abuse with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures, and other applicable regulations –and as a continuation of the significant event published on December 17, 2021 (registration number 13270) relating to the extension of a share buy-back programme– VIDRALA, S.A. ("**VIDRALA**" or the "**Company**") hereby reports the transactions carried out over its own shares between 9 and 13 May 2022 (both inclusive), under the share buy-back programme approved by the Board of Directors of the Company in accordance with the authorisation granted by the General Shareholders' Meeting.

Date	Security	Transaction	Trading venue	Number of shares	Weighted average price
09/05/2022	VID.MC	Purchase	XMAD	5.671	67,393 €
10/05/2022	VID.MC	Purchase	XMAD	6.760	68,016 €
11/05/2022	VID.MC	Purchase	XMAD	9.272	67,547 €
12/05/2022	VID.MC	Purchase	XMAD	3.118	67,090 €

Detailed information of the transactions carried-out within the referred period is attached as Annex.

As a result of the foregoing, the Company communicates the completion of the repurchase program prior to its deadline –which was set for December 17, 2022– having reached the maximum number of shares to be acquired under the share buy-back programme. In total, 270,000 shares have been acquired for a cash amount of EUR 20.5 million, equivalent to an average price of EUR 75.79 per share. The acquisition of the own shares under the share buy-back programme has been periodically communicated, in accordance with articles 2.2 and 2.3 of Delegated Regulation (EU) 2016/1052. The purpose of the programme has been to reduce the share capital of the Company (share capital reduction to be executed in the next weeks) by the redemption of own shares, with the aim of contributing to the shareholders' remuneration policy through the increase in earnings per share. Once the corresponding corporate resolutions have been adopted, the Company will inform about the details and execution of the capital reduction.

**Launching of a new share buy-back programme**

Once finalized the share buy-back programme referred to above, the Board of Directors of the Company, pursuant to the authorization granted by the General Shareholders Meeting,

has resolved to launch a new share buy-back programme pursuant to Regulation (EU) no. 596/2014 on Market Abuse, Delegated Regulation (EU) 2016/1052 supplementing Regulation on market abuse with regard to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (the “Delegated Regulation (EU) 2016/1052”).

The relevant features of the new share buy-back programme are the following:

**Purpose.** The purpose of the programme is to reduce the share capital of VIDRALA by the redemption of own shares, with the aim of contributing to the shareholders' remuneration policy through the increase in earnings per share.

**Maximum size (maximum investment and maximum number of shares to acquire).** The Company plans to buy shares in the market until it accumulates approximately 1% of the share capital. Consequently, up to a maximum of 300,000 shares will be acquired. The maximum cash amount to be invested shall amount to EUR 30 million. The maximum acquisition price shall not exceed what foreseen in article 3.2 of Delegated Regulation (EU) 2016/1052.

**Duration.** The program will have a maximum duration of twelve (12) months, from the publication of this disclosure. However, the Company reserves the right to terminate buy-back programme if, thereunder and prior to its validity end date, it has acquired shares for an acquisition price that reaches the maximum cash amount or the maximum number of shares authorised by the Board of Directors, or there is any other circumstance that would advise to do so.

**Trading conditions.** The shares will be purchased pursuant to the conditions of price and volume established in article 3 of Delegated Regulation (EU) 2016/1052. In particular, with respect to the price, VIDRALA shall not purchase shares at a price higher than (i) the higher of the price of the last independent trade; or (ii) the highest current independent purchase bid on the trading venue where the purchase is carried out, when shares are traded in different trading venues. In so far as volume is concerned, the Company shall not purchase more than 25% of the average daily volume –traded in the twenty (20) trading days preceding the date of every purchase– of VIDRALA shares traded on the trading venue on which the purchase is carried out.

The buy-back programme is led by Norbolsa S.V., S.A.

Any potential changes, interruptions or termination of the buy-back programme, as well as the share purchase transactions completed by virtue thereof, will be disclosed to the Spanish Securities Market Commission (CNMV) pursuant to that set forth in Regulation (EU) N° 596/2014 and Delegated Regulation (EU) 2016/1052. These transactions shall also be published on the Company's website as set forth in said regulations.

**Llodio, May 16, 2022**

José Ramón Berecibar Mutiozábal  
*Secretary of the Board of Directors*

## ANNEX

Detailed information of all the transactions carried out within the context of the share buy-back programme between 9 and 13 May 2022.
