## Caratteristiche del prodotto

|                       |                          |
|-----------------------|--------------------------|
| <b>Codice</b>         | 2738/610                 |
| <b>Capacità</b>       | 1000 ml                  |
| <b>Imboccatura</b>    | GUALA                    |
| <b>Colori</b>         | <input type="checkbox"/> |
| <b>Peso</b>           | 525 gr                   |
| <b>Altezza Totale</b> | 239.00 mm                |
| <b>Diametro</b>       | 98.20 mm                 |
| <b>Pallet</b>         | 1.248 Unità              |

|                                                        |                    |
|--------------------------------------------------------|--------------------|
| Peso aprox / Weight approx                             | 525 g              |
| Capacidad N llenado / Fillpoint Capacity               | 1000 ml±10 a 47 mm |
| Capacidad a verter / Brimfull Capacity                 | 1025 ml±aprox      |
| Cámara expansión / Vacuity                             | 2,5 % 25 ml        |
| Recipiente medida / Meas cap                           | NO                 |
| Angulo de volcado / Tilt angle                         | 25,8°              |
| Carbonatación / Gas vol                                | 0,0 Vol CO2 max    |
| Presión larga duración / Long Term pressure: 0 Bar max | Póster NO          |
| Resistencia choque térmico / Thermal Shock max:        | 42 °C              |

|                                                                                     |  |                                                                               |  |
